Andrew Mathews Kalathil

Student Developer · AI Builder · Systems Thinker

Dubai, UAE · +971 54 347 4736 · buildwithandrewmk@gmail.com · andrewmk.is-a.dev · github.com/andrewmkbuilds

PROFILE

Student developer and Model United Nations delegate based in Dubai. Builds AI tools, web products and computer-vision projects end to end, from first prototype to working product, and has been awarded at every MUN conference attended — representing Russia, Liam Lawson and Kodikunnil Suresh across the UNSC, FIA and Lok Sabha committees.

EDUCATION

The Indian High School, Dubai

Grade 8, progressing to Grade 9 in the 2027 academic year · Dubai, UAE

MODEL UNITED NATIONS EXPERIENCE

Novara MUN 2026

Delegate · United Nations Security Council (UNSC) · July 2026

Represented Russia

Awards: Verbal Commendation

IHS UNSummit 2026

Delegate · Fédération Internationale de l'Automobile (FIA) · June 2026

Represented Liam Lawson

Awards: Verbal Commendation · Best Resolution

IHSMUN 2025

Delegate · Lok Sabha B · 24–26 October 2025

Represented Kodikunnil Suresh

Awards: Honourable Mention · Best Position Paper

- Awarded at every MUN conference attended: two individual awards each at IHS UNSummit 2026 and IHSMUN 2025, one at Novara MUN 2026.
- Experience across crisis, specialised and domestic committees, including a UN Security Council simulation.
- Drafted resolutions, directives and position papers from research to floor debate.
- Strengths in diplomacy, negotiation, research, public speaking and teamwork.

TECHNICAL SKILLS

Languages	Python, JavaScript, TypeScript, HTML, CSS
Frameworks	React, Flutter, Tkinter
AI	Generative AI, AI APIs, AI applications, automation
Vision & hardware	Computer vision (OpenCV, MediaPipe), robotics
Engineering	APIs, responsive interfaces, rapid prototyping
MUN & diplomacy	Research, negotiation, public speaking, resolution and position-paper writing

DEVELOPMENT EXPERIENCE

Independent Developer — 50+ websites and digital projects

Ongoing · Dubai, UAE

- Built and shipped 50+ websites and digital projects, from single-page sites and small tools to multi-feature products.
- Work spans generative AI, automation, APIs, computer vision and robotics, taken from concept to a working build.

SELECTED PROJECTS

Gradr — Building
AI career accelerator: resume analysis, ATS scoring, interview practice and application tracking in one workspace.
AI · React

Stack Up — Live
Personal finance system that makes spending, budgeting and saving easier to understand, with streaks and analytics.
React

TerraCart — Developing
AI shopping assistant that surfaces more sustainable alternatives while people shop online.
AI · Browser extension

ClientFlow OS — In active development
Client lifecycle system connecting enquiry, projects, delivery and payment in a single record.
React · AI

DevOS — Live
AI developer command centre bringing tasks, focus sessions and project threads into one place.
Python · AI integration

Horizon Motorsports — Active
Digital home for a UAE-based racing and engineering team competing in FLL and Techfest.
React · Motion

COMPETITIONS AND AWARDS

- **1st Place — Data Science —** Techfest
- **2nd Place — IoT —** Techfest
- **2nd Place — Space Tech —** Group Techfest
- **Innovation Award — FIRST LEGO League —** UAE Dubai Regional 2025–26
- **2nd Place — Math Expo "Math & Me" —** The Indian High School
- **3rd Place — Shot Put —** Annual Athletic Meet

LEADERSHIP AND EXTRACURRICULAR

- **Horizon Motorsports — Founder and Sponsorship Manager —** Founded the team and handles sponsorship outreach and partner communication.
- **STEM Racing / F1 in Schools —** Engineering competition programme: design, build and present a race project as a team.
- **FIRST LEGO League —** Robotics seasons including the Dubai Regional, where the team won the Innovation Award in 2025–26.
- **Robotics and coding —** Building since age nine: robotics programmes, hardware builds and software projects.
- **ASDAN Environmental Short Course —** Short-course programme completed alongside school science work.
- **Future UAE Exhibition —** Participated in the exhibition as a student exhibitor.
